

On the road to being ready to cook

Draw five pictures in road sign-style to help remind people of the five getting ready to cook steps.

The five steps are:

Tie back long hair

Roll up long sleeves

Remove all jewellery

Wear an apron

Wash hands thoroughly and dry them carefully

Write an explanation of why each step needs to be completed.

A road sign template consisting of a red triangle inside a rounded square border. Below the triangle are three horizontal lines for writing.A road sign template consisting of a red triangle inside a rounded square border.
